US ULLIMAN SCHUTTE

September 28, 2017

To Whom It May Concern:

Ulliman Schutte Construction, LLC is planning on bidding the following project, Montebello Filtration Plant No.1 Infrastructure Improvements located in Baltimore, Maryland. This project bids on October 18, 2017. The project has an estimated range of over $40-$50 million.

Solicitation of participation by Minority and Women's Business Enterprises (MBE/WBE) is a requirement of this project. Accordingly, our company is soliciting quotations from subcontractors and suppliers on this project. We are requesting your organization's assistance to us in contacting qualified MBE/WBE companies that would be interested in bidding work on the above project.

MBE/WBE Subcontractors are encouraged to bid as a joint venture/consortium if portions of the work are too large for a single company. Subcontractors are also encouraged to breakdown work packages into a scope of work that enables the subcontractor to comfortably & competitively bid portions of the project.

We are requesting quotations for work under the following specification divisions or any section of a division:

Division 01 – General Requirements	**Division 22 – HVAC**
Division 02 – Existing Conditions	**Division 23 – HVAC**
Division 03 – Concrete	**Division 25 – Integrated Automation**
Division 04 – Masonry	**Division 26 – Electrical**
Division 05 – Metals	**Division 32 – Exterior Improvements**
Division 06 – Wood & Plastics	**Division 33 – Utilities**
Division 07 – Thermal & Moisture Protection	**Division40 – Process Interconnections**
Division 08 – Openings	**Division 41 – Material Process & Handling Equipment**
Division 09 – Finishes	**Division 46 – Water & Wastewater Equipment**
Division 21 – Fire Suppression	

Plans and specifications for the project are available on:
